PowerTrain

YOUR FEDRAMP & COMPLIANCE PARTNER

PowerTrain is your dedicated partner for navigating the complexities of FedRAMP compliance and government security requirements.

WHAT **WE** HANDLE

We take compliance, monitoring, and government interactions off your plate:

- Manage annual 3PAO assessments
- Achieve ATO readiness
- Continuous monitoring & response
- DevSecOps & disaster recovery
- 360˚ incident response
- AppSecDev, SSP, & configuration management
- Zero Trust Architecture
- Compliance team & risk vulnerability assessments and monitoring

WHAT **YOU** HANDLE

Your team maintains ownership of application-specific and personnel responsibilities:

- Personnel vetting & training
- Application maintenance & patching
- Incident/disaster support

PARTNERSHIP ADVANTAGES

PowerTrain formalizes vendor relationships through a Partner Agreement, providing:

- Guaranteed government security compliance
- Exclusive FedRAMP or IL4 distribution
- Optional benefits:
  - Marketing & federal sales support
  - Access to PowerTrain's government contract vehicles

ENGAGEMENT OPTIONS & QUOTES

We provide tailored quotes for:

1. Hosting your content on PowerTrain's FedRAMP/IL4-approved Callisto LMS
2. Joining the FedRAMP Moderate security enclave with your application
3. Joining the DoD IL4 secure ecosystem with your application

CONTACT US TODAY TO GENERATE YOUR QUOTE.

Our Goal: Simplify your path into the federal marketplace by handling compliance, monitoring, and government interactions, while you focus on building your solution.
