

CLaaSSM

Creative Learning as a ServiceSM

CLaaSSM is PowerTrain's flexible, subscription-based service designed to meet your creative and development needs across a wide range of services.

WHY CHOOSE CLaaSSM?

Whether you need to launch a new training program, create engaging visuals, optimize an application, or develop a new system, CLaaSSM empowers your organization to be more creative, agile, and efficient — all for a predictable monthly cost.

- ✓ Meet fluctuating needs with an on-demand, scalable creative team.
- ✓ Tap into a wealth of expertise across a variety of disciplines.
- ✓ No need to manage multiple vendors or hiring processes.
- ✓ Quick turnaround for new projects or urgent requests.
- ✓ Drive meaningful engagement and creativity for your audiences.
